

Sew Fabulous Pinweaving

The Sew Fabulous Pinweaving project is a licensed Sulky class brought to you by Michelle Umlauf, a Certified Sulky Teacher. The “Sew Fabulous Pinweaving” portrait combines the creative fiber technique of pinweaving with a zany Sew Fabulous lady from the Loralie Designs fabric collection. The finished wall hanging measures approximately 12-1/2 x 14”. Students will be inspired to apply the pinweaving technique to a variety of other sewing and crafting projects to add interest, texture, and dimension.

You will learn how to:

- Ⓢ ...properly stabilize fabric to create beautiful pinweaving results
- Ⓢ ...use a variety of presser feet, some in non-traditional ways
- Ⓢ ...do simple, fool-proof binding & mitered corners that will make your grandmother gasp!
- Ⓢ ...do mistake-proof quilting techniques
- Ⓢ ...use decorative stitches to give your project a more finished look
- Ⓢ ...and much more

This exclusive Sulky class is only available from Certified Sulky Teachers. This interactive, online class is being offered in webinar format utilizing the technology of GoToMeeting. You can attend this meeting via your computer in the comfort of your own sewing room. After the meeting, you will be able to contact the instructor for additional help or to answer your questions.
